

The Larkey Sharks Little Fins program is an introduction to swim team for kids who are already comfortable in the water. Emphasis is on learning the basic techniques for freestyle and getting them ready to be a Shark!

To be ready for the Little Fins program, children must be "water safe"; able to swim 1-3 yards on their front and hold their breath under water for 3 seconds.

DATES: June 15 - July 17: Tuesday - Friday 12:30-1PM
(19 days of instruction + meet event)*

COST: Pool Members: \$175/1st swimmer, \$150/2nd
Non-Members: \$250/1st swimmer, \$219/2nd

*No practice on July 2nd. See calendar for schedule.

At the end of the program, swimmers will participate in a Larkey Sharks home meet on July 17th, swimming on lap of freestyle. Kids will receive ribbons, a goodie bag and lots of cheers!

The program is fun by Sharks Coach Jack McMahon, with additional instructors added to maintain a target of 1 instructor for every 5 swimmers.

A medical release form is required for each swimmer to participate, forms are available [here](#) on our website.

Contact [Eileen Guichard](#) to sign up!

GO SHARKS!
